Dear Mr Chairman,

The Municipality of the County-Rank City of Szombathely, the Savaria County Museum of Szombathely and its St. Martin Institute as well as the Hungarian body of the St. Martin European Cultural Route, called Via Sancti Martini – Hungary will organise an international conference in Szombathely on 16-17 May 2019.

The topic of the conference is St. Martin's heritage in Europe and in Hungary. The objective of the event is to promote the inclusion of St. Martin's legacy on the UNESCO World Heritage List and the inscription of intangible assets connected with St. Martin on national or regional heritage lists in as many places as possible.

It is my honour to invite you to the conference and I kindly ask you to contribute to the success of the event with your lecture.

Yours Sincerely,

Dr. Puskás Tivadar
Mayor
